

# Christian Aid in Cove 2011

We have delayed giving you an up date so that we could let you know about our next event. After some years in abeyance, Christian Aid Cove has got off to a good start. You might have had a tea or coffee at our stall outside the Co-op nearly every day during Christian Aid Week in May. We hope this will become a regular feature during Christian Aid week in the future and perhaps at other

times as well. Other events during the week were a Quiz at Langdykes Pub and a Bring and Buy Stall at Cove Seniors.

The week ended with a joint evening worship service at St Mary's Joint Church in Cove. The total giving for Christian Aid week was £ 702:73. Many donations were Gift Aided so that this will greatly increase this amount.
