Excerpt from 107 (Aberdeen) Squadron September News Update

107 Squadron and the Aberdeen Lions provided personnel to marshal competitors along the route of the JDRF Walk in Hazlehead Park. CI Alan Whitehead had the role of Head Route Marshal, coordinating the activity for the event. Despite a couple of light showers near the end of the event, the cadets enjoyed the day and are able claim two hours radio experience towards their Communicators badge.

107 Sqn competed against other squadrons in the Wing swimming competition and achieved second place in both the junior and senior girls' categories as well as third place for the overall competition.
