

# Doonies Claik

**Despite the poor weather the farm has been busy and Farmer Lennox has been preparing for the winter.**

At last our new Educational Unit is open. The opening was performed by Dame Anne Begg and our Lord Provost, George Adams, was in attendance.

Thanks to all the helpers and those who came out to support us and hope that you will continue to do so. Special thanks to the Cove Scouts and Cove New Church who lent us Marquees and to Loirston School and the Ellon Air Cadets for all the support they gave us.

We will be working over the next few months to put together workshops and events

which we will offer to schools and groups and of course we will need to do fundraising events to make sure that the Unit can run. Please watch the local outlets and press for further information.

Thanks to all.  
Margaret Vieira, Convenor.
