

Community Council Garden Competition...and the winners are...

All the gardens visited were thoughtfully planted and well tended, and despite the dreadful growing conditions this summer, many have gorgeous, eye-catching displays of summer bedding – well done. Thank you to everyone who entered.

Left to right D McGilvary Best container Judging –Dr Jane Bingham, Head Gardener, Beechgrove Garden. W Westland Best Garden, G Dobinson Best Novice Garden.

Cove in Bloom

The Community Council's Cove in Bloom entry achieved a judgement of "Outstanding" in the Keep Scotland Beautiful – It's Your Neighbourhood awards. It would be logical to go for the next step up which is as an Urban Community competing against other Communities in Scotland.

This would take a huge amount of help and support from the community and local businesses. If you have time and ideas please get in touch with one of your Community Councillors or email info@cove-bay.com and if there is enough support we may indeed be able to take that next step!
