

# Cove and Altens Community Council

## Garden Competition Results

### August 2012

The competition was judged by Dr Jane Bingham, Head Gardener of the Beechgrove Garden

#### **Best Garden – 14 Burnbuts Crescent**

A winning combination of superb summer bedding and meticulous cultivation - this garden looks stunning. It is brimming with colourful begonias, dahlias and marigolds. Of particular merit are four enormous hanging baskets with vivid red begonias and the excellent lawn.

#### **Best Novice Garden – 10 Cove Circle**

In this beautiful garden colourful bedding plants have been cleverly arranged so that they blend together to form a colourful

tapestry effect. The standard of cultivation is excellent.

#### **Best hanging basket – 8 Fittick Place**

The hanging baskets in this garden scored full marks. They are overflowing with delightful petunias and pendulous begonias. The plants are healthy, bushy and flowering well. The garden came a close second in the Best Garden category. It has some fabulous dahlias with huge yellow flowers.

#### **Best Container – 27 Shieldhill Gardens**

A colourful display comprising numerous containers of vivid yellow marigolds, dahlias, fuchsias and daisies.

All the gardens visited were thoughtfully planted and well tended, and despite the dreadful growing conditions this summer, many have gorgeous, eye-catching displays of summer bedding – well done.

Thank you to everyone who entered
