

# Doonies Claik

***Down on the farm.....*** Mary and Penny, our two large black pigs, are now out and about enjoying the fresh air and receiving lots of attention from our visitors.

We hope to have some piglets in December as Ruby our Tamworth pig has a new friend called Golden Ranger who is our new Tamworth boar.

It was a great surprise to us when, at the end of August, twin Portland lambs were born. They are healthy and happy with their mum.
