

Nether Loirston Growers

The nights are drawing in and most of our crops have been eaten, frozen, pickled or stored away in a dry and frost-proof place.

Soil has been turned over and compost bins are full. Only Curly Kale, Turnips, Parsnips, Brussel Sprouts and the like destined for winter recipes and Christmas dinner are left.

It will soon be time to hang up our boots and peruse the 2014 Seed Catalogues over a warming drink!
