

# Cove and Altens Community Council Annual Garden Competition 2014

## Winners

*At the September meeting of Cove and Altens Community Council the winners of the 2014 Garden Competition received their Awards.*

Their lovely displays have been admired and have given great pleasure over the summer to those passing by. Nominations are usually the main way that these floral entries find their way into the Garden Competition. We also encourage gardeners to enter their own gardens. So all you shy gardeners have a think about it for next year!
