

# Doonies Rare Breeds Farm News

*We have had a busy summer, despite the monsoon weather which didn't have much of an impact on our visitors to the farm, lots of waterproofs and colourful wellies worn.*

The wee calf at the farm has been named Snowy by one of our regular visitors. Snowy is doing well and is out and about running around with the pet lambs. Niall the Eriskay foal that was born a week before the Easter holidays is growing into a handsome young man, Niall especially enjoys running up and down the field playing with Ghillie our sheep dog.

Farmer Graham and Alice had their usual trip to Melton Mowbray in Leicestershire to buy some new stock for the farm. Unfortunately there were no boars of the same breed for our Welsh pig Dainty, girl; we hope to find a boar for next year so we can have some little piglets running around the farm.

Winter is fast approaching and there are many things to do around the farm once we close for winter after the October holidays.

Once again the Lennox Family would like to thank the public for there continued support.

That's all our news for now!

## *The Lennox Family*
