

# LOIRSTON PRIMARY SCHOOL

Here at Loirston we have begun another session. We have welcomed into our school a new cohort of both Primary One and nursery pupils to our school. We are pleased to say that they have

all settled in well to the routines of the school and are rising to all the challenges set.

Our session has started out with a number of pieces of good news within our staffing. Mrs Mclean has given birth to beautiful twin boys Charlie and Cameron. Mrs Cormack had a baby girl called Georgia and Claire Littlejohn gave birth to a beautiful baby girl called Rosie. We wish them all well with the additions to their families. We also welcome some new staff to our school for this session. We welcome Miss Diack to Primary One, Miss Tough to Primary Three/Four and next week we welcome Miss Carle to Primary One too.

With regard to our day to day business here at Loirston we have had a very busy start to the term. Last week we celebrated National Literacy day. Each class have created their own story books showing that we are both Readers and Writers. These will be displayed at the front of the school for all visitors to see.

During the summer we have had the entrance to our school and corridors redecorated, This week we have been considering how we can make our school a bright and nice space to learn in. We have been thinking about the answer to the question “What is modern art?” Each class has been given a blank canvas to complete a piece of Art showing their interpretation of what they think Modern Art is? Soon our corridors will be awash with paintings in the style of famous artists such as Jackson Pollock.

Our Primary 5, 6 and 7 pupils have been developing very important life skills through the St John’s ambulance certified First Aid course. Each pupil has completed a course in First Aid and will receive a certificate for their achievements.

Next week we will be having our Open Day linked to our first charity event. On Friday the 25th of September we will be inviting Parent/Carers into school to have a look around our classrooms, read our super books we’ve created and peruse our corridors which will be full of Modern Art. Following this they will be invited to stop and have a tea/coffee and fine piece in the café we have set up in aid of Mcmillan. We look forward to a busy morning. Pupils will also be raising money through a special Tuck shop that will be running in aid of McMillan next week.

As the session goes on we are sure that there will be lots more going on, especially if these first four weeks are anything to go by and we look forward to sharing all our news with the community.
