

Doonies Rare Breeds Farm News

We have had a very busy summer with many visitors coming to the farm.

The ducks that the children at Loirston Nursery hatched are now out in the large pond and thriving. All the sheep have been sheared just in time for the nice warm hot spell we have had.

Niall and Harris our two Eriskay ponies are currently under training by two experienced horse trainers who have been very generously giving up their own time on a voluntary basis, to work with the ponies.

Farmer Graham has been busy with winter prep, the second cut of silage is due ready for winter feeding. There is a

list of things to do around the farm, as always it keeps us busy!

That's all the news for now.

The Lennox Family
