Kindergym is a drop in session, you just pay if you come, meaning you dont have to block book with us.

We stop around **10.00 am** for a cuppa and biscuit. please bring snacks along for your little ones.

Around **10.45 am** we all help out and clear away the fun. many little ones use this time to race around the empty room.

We are always looking for more people to help; either on a day to day basis with setting out and clearing away snacks, cleaning dishes, tables floors. Or in the role of coordinator, helping to come early to setup.
