

Chairman's Notes

Clean up Cove

Want to help out in the community? Have you a few hours spare on the morning of April 27th? Please come along to Loirston Primary School and get kitted out with litter pickers, litter bags and hi viz jackets. We can either assign you an area or you can choose your own to help clean up. There are so many areas in Cove where litter is piling up. Please help us, and come out in your droves, to help clean up Cove. Everyone welcome from the youngest to our more senior residents.

Old Cove – Consultation on loss of conservation area status :

There is currently consultation going on regarding the loss of the conservation area status of Old Cove. There was a drop in meeting in the Cove Bay Hotel on 18th March about this, and all residents in Old Cove have had letters about the council proposal.

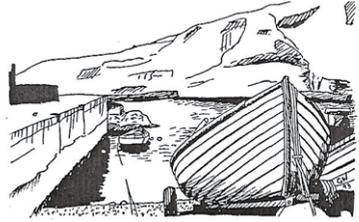

The community council has been trying for years to get the council to help in maintaining the area as it is currently a conservation area, but with very little or nothing being done. This is one of the last fishing areas in the town, and has a lot of heritage that should be remembered and enjoyed, both by residents and visitors.

Any views you have must be made known to the council before noon on 22nd April. More information on how to express your views to the council can be found at <http://www.cove-bay.com>

Road works!!!!

The road works up at Charleston are causing havoc for residents at the moment.

The current road works signs show that

they will last 5 weeks. This is just the start. This is only for the area between Charleston Road and midway between the two Charleston Drive entries.

The road works then move back towards the Cove Road crossroads, the Business Gateway and beyond towards the new Barratt houses at Marywell. The road works plan is to get just past the Business Gateway by 17th June, where the road then crosses into Aberdeenshire. From there to the Barratt houses there will be more road closures but dates are still to be confirmed.

Cove Gala - Saturday 8th June

Come along and support the hard work done by the Gala Committee. It's an enjoyable afternoon and proceeds go back into the Cove and Altens community

Chronicle Deliverers

We need volunteers to deliver to the 10 houses in Earn's Heugh View and the 40 homes, 1-41 and 2-38 in Allison Close. Thank you to the two long standing deliverers who have had to give up due to a change in circumstances. Please contact Michele **01224 890329** or email info@cove-bay.com if you can help.

Coastal Path landslide beside Burnbanks Village

The Ranger Service advises us that this piece of path will be repaired before the end of March.
