

Chair's Notes

Community Council

Community Councils are re-elected every three years and this autumn was the event. There have been some changes and we must say goodbye to Bill Beattie, Gary Allanach and Neil Stewart. Thank you all for your support during your time on the Community Council and especially to Neil who has been a Councillor for many years and has served as Chair and Vice Chair. We welcome Raymond Davidson onto the Community Council.

The list of Community Councillors on the inside back page does not include Office Bearer responsibilities as new Office Bearers are to be elected at the inaugural meeting on 30th November, once the Chronicle has gone to the printer.

First bus

Please take some time to look at the First Bus customer survey in your Chronicle and make your comments known.

Hydrogen Refuelling Station

This work is well under way now with the pedestrian island on Langdykes Road being moved further east. Care should be taken when driving or walking along this stretch of road.

Annual Christmas Concert

The time of the Concert has been brought forward this year and runs from 2pm - 3.30pm on Sunday 6th December, at the Altens Thistle Hotel. The Christmas Tree switch-on will be after the Concert which is always much enjoyed and we hope you can manage along to support our local young talent.
