

Chair's Notes

Litter and Dog Mess

There are dog bins galore in our community. Regular litter bins are now dual purpose and can also be used for dog poo bags. Dog poo may carry disease so bag it and bin it!

The Annual Cove Clean Up

This year's Clean Up was on Saturday 25th April. Volunteers young and old gave up their time to collect rubbish from our streets and open spaces. Thank you and well done everybody for making a difference! Let's keep it that way!

Altens Play Area

Work to renew the play area equipment, provide a new fence and granite dust path is due to start in the second week of June.

Cove Gala, Saturday, 13th June

Always an enjoyable afternoon out for all the family!

Cove in Bloom

The Cove in Bloom team is busy enhancing our community for the benefit of everyone. We wish them well in the forthcoming judging.

Good luck also to Old Cove and Nether Loirston Growers who have both entered the Its Your Neighbourhood Awards.

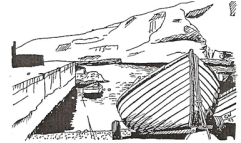

Annual Garden Competition

Enter your own garden or one which gives you pleasure when you pass.

Planning Matters

The planning application for a Hydrogen Fuelling Station with on site Hydrogen Generation and Fuel Cells Systems on Langdykes Road comes before the Planning and Development Management

Committee on 28th May and hopefully they will take into consideration our objections. By the time you read this a decision will have been made which we hope will be in our favour.

Plans are still in the pipeline for a housing development at Allan Park and a new Secondary School at Calder Park.

The planning application for a Recycling and Waste Management Centre, Refuse Derived Fuel Plant and a Council Depot (south of Doonies Farm) has been lodged and the Community Council will be submitting its comments in due course.

A cycle and pedestrian link from the new housing development to Langdykes Road has to be provided as a condition of the planning consent together with a link to it from Newlands Lane North. Safety issues regarding the swale and SUDS pond have also been highlighted.

Cove Rangers Football Club

In April, Cove Rangers Football Club closed its doors at Allan Park. End of an era!

South Loirston Road

Safety concerns have been raised by both pedestrian and vehicular users of this road. **All users please take care, this is a road and is used by vehicles, cyclists and pedestrians alike.**

Dates for your Diary:

Next meetings are on 29th June and 17th August at Loirston School, 7pm.
