

Chairman's Notes

The Cove Chronicle is a Newsletter produced and published by the Community Council every two months and delivered through your door by volunteers.

New City Councillors

Following the local elections, we now have four City Councillors for our Ward. Their contact details are contained later in this Chronicle. The main roles of a City Councillor, according to the Scottish Government website, are:- representing their ward, meeting with the residents and interest groups within their ward and dealing with issues that they raise. Executive decision-making, scrutiny of decisions taken by others within a local authority and regulatory functions on committees such as Planning and Licensing.

Annual Cove and Altens Clean Up

In all the years the Clean Up has been running, this year's excelled, both in the number of volunteers and the amount of litter cleared away from corners of our community. Thank you to all the volunteers. It looks like the new recycling regime using bins has made a difference. Sadly crisp packets, water and juice bottles are still being thrown down.

Dog Friendly Cove

The Dog Drop In, run in partnership with Cove in Bloom in April, was a huge success. Read the article inside which includes the two initiatives that have started up as a result. The main concern of the responsible dog owners attending was dog poo not being bagged and binned.

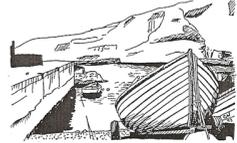

Chronicle Advert Coordinator

Isobel MacNicol is our new advert coordinator and we give her a warm

welcome into the Chronicle Team.

Ali Forsyth, who has worked with us for around 10

years, is moving on to pastures new and we wish her well in her next volunteering role.

Cove Gala 3rd June, 40th Anniversary

By the time you read this the Gala will have come and gone. The traditional procession having taken place within the site due to the high price charged by Police Scotland to close the road.

Planning Matters

There is an application for Unit 4, Loirston Avenue to be changed from Class 1 to a hot food takeaway.

Leith's Quarry applied to extend their working hours to accommodate changes in their delivery contract with Dragados UK at the new harbour extension.

Proposed Solar PV development Mains Of Charleston Farm Land to the East and West of the A90.

An application to accommodate a granite base for the new "Isie Caie" statue on Stoneyhill Road.

Kincardine offshore windfarm. Extension to house electrical substation equipment at Unit 14a Peterseat Drive.

Prospective Community Councillors

Please come to one of our meetings or contact the Chairperson to find out more.

Dates for your Diary:

Next Community Council meetings: 26th June, then in recess until 21st August, Loirston School, 7pm.

Michele V McPartlin
