COVE GARDEN COMPETITION

AWARDS

Winners were invited to a presentation evening at the Cove Bay Hotel on 26th September when they discovered what, exactly, they had won. Our congratulations to all of our garden competition winners, and to those gardeners whose work was entered, thank you all for taking part. The standard of gardens was very high.

Bronze – 20 Burnbanks & 13 Fittick Place

Best Novice Garden:

Best Hard Landscaping:

Silver – 10 Creel Gardens

Bronze – 22 Charleston Crescent

There were two gardens in the Best Garden category that so closely missed an award that we decided to note them as **highly commended**, and these were 19 Charleston Circle and 11 Whitehills Close. We also wanted to recognise the tremendous work put into some of the gardens cared for by volunteers that make Cove and Altens such a lovely place, so our commendations and thanks go to:

Bill Beattie, for the gardens at the Nether Loirston Allotments

Sylvia Napier, for the volunteer garden at Doonies Farm

Fleur Tarling, for the volunteer garden at Creel Wynd

Kath Wyness, for the volunteer gardens at Loirston Green

Philip Young, for the volunteer gardens at Langdykes Road/Earnsheugh Road

Each of these volunteers have chosen to dedicate their work to a specific area and have made a real difference in the area they have taken on.
